The Desmond Tutu HIV Centre (DTHC), based in the Faculty of Health Sciences, is committed to the pursuit of excellence in research, treatment, training and prevention of HIV and related infections in Southern Africa.

We require a full-time Community Liaison Officer to design, implement and manage the community education programs in relation to research protocols at the Emavundleni Clinical Research Site:

- Matric (Grade 12) and Tertiary Degree (Teaching, Social Sciences, Administrative or related field) or in Progress will be advantageous.
- Fluency in English and understanding isiXhosa will be advantageous
- Computer Literate: MS Word, Excel, Access/Database, Internet and Email
- The following will be advantageous:
- Previous experience in a similar role within a research environment
- Knowledge of the community in which the CRS is located
- GCP certification
- Financial Administration will be advantageous
- Good communication, public speaking and interpersonal skills

Responsibilities:

- Supervision and management of the community staff.
- Education, recruitment and retention of research participants.
- Develop educational materials to be used by community workers.
- Develop and maintain recruitment and retention plans.
- Liaising and building community relationships.
- Coordination of HIV education and vaccine awareness events in the community such as World AIDS Day.
- Facilitate the creation and maintenance of the Community Advisory Boards(CAB) constitutional processes.
-

The annual remuneration package for this full-time position is between R189 629 – R353 522 dependent on skills and experience.
