

LECTURER/SENIOR LECTURER: GEOPHYSICS

Department of Geological Sciences

Faculty of Science

The Department of Geological Sciences invites applications for a post at the Lecturer/Senior Lecturer level to be filled by a geophysicist with interests and experience appropriate to applications in sedimentary basin analysis and neotectonics.

Requirements:

- A PhD in an appropriate field at the time of appointment.
- Experience in seismology and other geophysical methods applicable to resource evaluation and/or neotectonics.
- Suitable track record of research and publication.

For appointment at the senior lecturer level:

- Enhanced track record of research and publication.
- Evidence of relevant teaching or mentoring experience.

Responsibilities:

- Establishing an active research programme in geophysics.
- Teaching at undergraduate and postgraduate level including leading appropriate field courses.
- Attracting research funding and students needed to sustain an international-level research programme in geophysics.

The annual remuneration packages, including benefits at the respective levels are as follows:

- **Senior Lecturer: R834 707**
- **Lecturer: R683 358**

For further information about the post contact Prof Chris Harris (chris.harris@uct.ac.za)

To apply, please e-mail the below documents in a **single pdf file** to Ms Tracy Moore at recruitment04@uct.ac.za:

- UCT Application Form (download at <http://forms.uct.ac.za/hr201.doc>)
- A letter of motivation
- Curriculum Vitae (CV)
- A statement (no more than 2 pages) of your accomplished research and future plans
- A statement (no more than 2 pages) of your teaching approach

Please ensure the title and reference number are indicated in the subject line.

An application which does not comply with the above requirements will be regarded as incomplete.
