

LECTURER / SENIOR LECTURER IN APPLIED MATHEMATICS

DEPARTMENT OF MATHEMATICS AND APPLIED MATHEMATICS

FACULTY OF SCIENCE

The Department of Mathematics and Applied Mathematics is a large and dynamic department with over thirty permanent academic staff. We seek to make one new appointment in Applied Mathematics at the level of Lecturer or Senior Lecturer. As this appointment is linked to the South African Research Chair in Physical Cosmology, applicants should be in a closely related field (theoretical high energy physics, cosmology, astrophysics, or gravity).

Requirements include:

- **Lecturer:** A PhD in Applied Mathematics, Physics, or Astronomy with research expertise in one of the previously mentioned areas, a sustained record of peer reviewed research outputs, and some experience lecturing at undergraduate level.
- **Senior Lecturer:** As for Lecturer, but also an established independent research record, successful supervision of postgraduate students, and significant experience lecturing a range of undergraduate and/or postgraduate courses (including course development). Postdoctoral experience is an advantage.

Responsibilities include:

- Teaching and developing undergraduate and postgraduate courses in Mathematics and Applied Mathematics (within and beyond the Faculty of Science).
- Developing and pursuing an active research program, including supervising postgraduate students.
- Course convening, departmental and faculty administrative duties.

The annual remuneration packages for 2021, including benefits, is **R 765 575** for Lecturer level and **R921 012** for Senior Lecturer level.
