

University of Cape Town Lung Institute

INTERNSHIP: LABORATORY TECHNICIAN

The UCT Lung Institute is a wholly-owned subsidiary of the University of Cape Town and is recognised internationally as a leader in the study of treatments for tuberculosis and airways diseases, having performed more than 150 research projects.

We wish to invite highly motivated undergraduates or recent graduates to apply for a **12-month Internship Programme** as a **Laboratory Technician** commencing in **January 2019**.

The intention of the programme is to provide the learners with workplace integrated skills, coaching and practical application of their formal discipline in readiness for our industry requirements or the job market.

Minimum Requirements:

- Must have completed a:
 - National Diploma in Biomedical Technology
 - Degree in Medical Laboratory Science
 - Relevant BSc Degree
 - Medical Technical Certificate
- Valid GCP Certificate (advantageous)

Competencies:

- Computer literacy (MS Office – Excel, Word, Outlook)
- Excellent communication and interpersonal skills
- Basic laboratory techniques
- Ability to work according to standard procedure protocols
- Strong organizational and detailing skills
- Able to work well under pressure
- Proactive, with the ability to self-manage and work autonomously
- Analytical and problem-solving skills
- Must be able to work as part of a team

Additional Information for Applicants:

- Basic monthly stipend offered
- Applicants must be South African citizens

To apply, interested applicants are requested to **submit an updated CV, along with supporting documents** (copy of ID, Certificate / Diploma / Degree and Academic Transcripts) to: uctlirecruitment@uct.ac.za

Applications will only be accepted via email.

Telephone: 021 406 6882

Website: www.lunginstitute.co.za

Reference (in subject line): Lab Tech Internship

Closing Date: 31 October 2018

Only shortlisted candidates will be contacted. Should you not receive a response within 1 week of the closing date, please consider your application as unsuccessful.
