

LECTURER

Division of Emergency Medicine
Department of Surgery

FACULTY OF HEALTH SCIENCES

Applications are invited for this full-time, permanent Research Officer position in the Division of Emergency Medicine, Department of Surgery within the Faculty of Health Sciences.

The Division specialises in emergency care training, development and research, and the successful candidate will coordinate, support and ensure the smooth running of the Division's suite of research activities related to Emergency Care, in addition to leading the MSc (Emergency Medicine) program.

The successful candidate for this post must have:

- A PhD in a health science field
- Minimum 5 years postdoctoral experience in a health science field
- Demonstrable experience in emergency care research
- Demonstrable experience in coordinating an academic research group

Skills and experience required:

- Demonstrable experience in higher education teaching
- Demonstrable experience in successful grant writing
- Proven experience in successfully coordinating and communicating with a diverse team of researchers
- Proven experience in carrying out core research tasks such as literature reviews, scoping of funding opportunities, writing and revising research protocols, interview guides and reports, and coordinating research review by ethics committees.
- Proven experience of working effectively with a broad range of stakeholders, including academics, students, NGO staff, healthcare workers and managers, and community members.
- Strong computer literacy skills
- Strong communication skills

Considered advantageous:

- Experience in University research and administrative environment

He/she will be required to:

- Coordinate research activities in the Division
- Coordinate the MSc (Emergency Medicine) program
- Supervise and mentor Masters and PhD students in the Division
- Perform research related administrative tasks in the Division
- Assist in the development of academic materials, modules and courses in the Division

The annual remuneration for this full-time position is R639 848.
